

Fine art A 'level summer project 2010

Please read this document carefully- this is NOT OPTIONAL

For your very first art lesson you will be required to bring:

- 1. Your summer project**
- 2. £5 to buy a folder**
- 3. £3 to buy a sketchbook**

AIMS

We want you to complete 2 tasks, which should be completed and presented beautifully on an A3 board in your first lesson

Task 1 Make a copy of your favourite piece of art . it could be about colour , could be a drawing, sculpture . It could be a painting, a mixed media piece, a collage; it could be sewing/ embroidery . This will be on an A3 board

It is important that you use the same materials that your chosen Artist has used (or as close as you can get them). Both copies must be outstanding, use all your skills to make sure it is as true to the original as it can be. The subject matter is entirely up to you, but the artist should be a recognized artist that you can research properly.

Task 2 “ write a paragraph about each artist stating their name, the title of the piece and when it was made. Write about why you like it- avoid clichés such as...

Avoid - “it caught my eye” and “This piece is calm and relaxing”

This must all be carefully designed and put together on your A3 board (including the text). Every cm on your board must be considered. All boards to be presented in your very first lesson. GOOD LUCK!!

We look forward to seeing you in September, THE ART TEAM
