Autumn Exam Series

Should you wish to have the opportunity to improve on your grade(s), Ofqual has asked the exam boards to provide an Autumn Exam Series. Exams will be available in all GCSE and A level subjects.

A level, BTEC & GCSE Results, Support & Post Results Services

They will be in their normal format and grades will be determined on student performance in exams only as there will be no NEA/coursework.

The exception will be Art & Design (3D Design, Graphics, Fashion, Fine Art and Photography) where the board will set and mark a new task to determine a student's grade. The Autumn Exam Series will run from Monday 4th October 2021 to Friday 22nd October 2021. As you will have finished college, you will need to study and prepare for these exams independently around any other commitments you have made since leaving Esher. Full details of how to register for autumn exams can be found on the college website later in the summer. The deadline for registrations is Monday 6th September 2021.
