You'll only see these questions if you have a UK home address.

There are two mandatory fields(*), but you have the option to respond with I prefer not to say.

This information is only shared with universities or colleges once you have secured a place, it **does not influence any decision making**. It's used to ensure applications are treated fairly.

The screenshot shows a sidebar menu on the left with the following items: Personal details, Contact and residency details, Nationality details, Supporting information, English language skills, Finance and funding, Diversity and inclusion (underlined), More about you (with a blue circle icon), Education, Employment, Extra activities, and Personal statement. The main content area is titled 'Equality monitoring' and contains five dropdown menus: 'Ethnic origin *', 'What is your religion or belief?', 'What is your sexual orientation?', 'Do you identify as transgender?', and 'National identity *'. Below the 'National identity *' dropdown, there is a section for 'Dual national identity' with a text instruction: 'If you have dual nationality, select your first nationality in the previous field and your second nationality here. If you do not have dual national identity leave this blank.' Below this instruction is another dropdown menu.

Growing up in care means you are entitled to a range of practical support; for example during your application, financial assistance, year-round accommodation, or help with managing your health and wellbeing.

When you give this information, you are letting the university or college know that you may need additional support during your studies. They may get in touch to tell you more about the benefits and options available, if you want it.

You will see this question if you have a UK or Non-UK home address.

Unique Learner Number (ULN)
The Unique Learner Number (ULN) is a 10-digit reference number which is used alongside and to access the Personal Learning Record of anyone over the age of 13 involved in UK education or training. If you don't have one, or don't know yours, leave this blank.

Type the name of your secondary school. Once you find your centre, click on the name and the **Exam centre number** will automatically populate.

If an exam centre number doesn't appear that's ok, it's because we don't have it.

Add in secondary school start and end dates, which will probably be 09/2016 to 06/2021 if you are still at Esher, or a year earlier for 6.3 applicants.

Some courses may require you to disclose your criminal conviction status.

We'll only show this question if the course choice requires it.

Criminal convictions

Applied Health & Social Care (top-up) at University of Worcester

This course has entry requirements which ask you to disclose further information regarding any spent or unspent convictions or any past criminal activities, and may also require a criminal records check.

▼ Help with criminal convictions

Further checks may also be required under the Disclosure and Barring Service.

If you have spent or unspent convictions from a court outside Great Britain, additional checks may be carried out depending on the records available in respect of the applicable country.

A criminal records check may show all spent and unspent criminal convictions including (but not limited to) cautions, reprimands, final warnings, bind over orders or similar and, to the extent relevant to this course, may also show details of any minor offences, fixed penalty notices, penalty notices for disorder, ASBOs or VOOs.

Please tick if you have any spent or unspent criminal convictions or other punishments that would show up on a criminal records check? *

If you tick the box you will not be automatically excluded from the application process.

It is recommended that you [read our page on criminal convictions](#) and if these issues are in any way relevant to you, you should obtain further advice from appropriate bodies. UCAS will not be able to assist you in this respect.

You will be asked this question each time you add a course that requires a criminal conviction declaration.

There is a maximum of 5 choices and choice restrictions still apply (a maximum of four courses of medicine, dentistry, veterinary medicine or veterinary science).
