# Have you got a uni offer?

- Log in to **UCAS Track**.
- If you meet or exceed the grades for your CF offer it will say **Unconditional**.
- You **may still get an offer** from your firm choice, even if you have missed your grades. If it says **Unconditional** they will still take you.
- If you meet or exceed the grades for your CI offer but **not** your CF offer your **CI (insurance) offer will say Unconditional**.
- ***Congratulations – you are off to uni!***

# Clearing

- Clearing is a system that matches applicants who don't have any offers to courses that **still have spaces**
- The unis have a pretty good idea in advance which courses have under-recruited, so the **Clearing lists** are first published on **5 July**.
- If you have offers but are not sure, you can do some research **before results day** if you want to look elsewhere.
- If you haven't applied but wish you had, you can apply **Direct to Clearing** from 1 July

# Clearing video

- This is a useful 3 minute video on Clearing accessed via this page: [Search | Videos | UCAS](#)

(it is the 4<sup>th</sup> video on the top row)

# Clearing Plus

- If you are unsuccessful on results day you will be offered **Clearing Plus** through the UCAS Hub
- **Clearing Plus** matches your application to the best available places left
- You can '**apply up**' through Clearing as well, to better units if your grades are much better than expected ('Adjustment' has ceased)

# Self-release to Clearing

- You **cannot** enter Clearing if you have the grades for your CF or CI offer, **unless** you decide to release yourself into clearing by **declining** your now **confirmed unconditional** offer.
- **Do not** release yourself until you have a **definite offer** from another uni, either by **email** or from a **named person** on the **phone**.
- In 2021, **17%** of all candidates found a place through Clearing

# Direct to Clearing applications

- Decided after all you want to go to uni?
- You can apply **direct to clearing** from 1 July (including on **results day** itself), but only for courses which appear in the clearing lists
- Look at the **Clearing lists** published on **5 July** and apply immediately if you have not done so before
- You will have to do **the factual part** of the UCAS Apply 2022 form but **may not** need to do a personal statement or provide a reference

# Come in to College for help

- If you have **just missed** your offer or want **help with Clearing or Clearing Plus**
- Clearing can be stressful— **keep calm** and don't panic
- Most uni clearing places will be filled **quite quickly**
- **Visit** the uni in **real life** if possible or virtually if not
- College staff are available to help on the **Thursday** from **8.30 am** and **Friday** from **9 am**
