

## PROGRESSION GUIDANCE BULLETIN – DECEMBER 2023

Our careers bulletin is a resource to help you explore next steps after college.

### Careers Appointments

The Progression Guidance and Careers department has three qualified careers advisors (Alex, Cat and Sally) who are available to help you make informed and realistic decisions about your future by providing the right advice, information and guidance about university, apprenticeships, employment, and work experience. We are in **R105** located on the first-floor - opening times **9am-4pm (term time)**. If you would like an individual careers advice discussion, please email [careerappointments@esher.ac.uk](mailto:careerappointments@esher.ac.uk)

### Support With Applying To University

Our internal deadline for UCAS applications has now passed however if you still wish to apply for University for 2024 then UCAS continue to accept late application until June and many universities make offers to students who apply after their deadline.

### National Apprenticeship Show 27 & 28 Feb 2024

The National Apprenticeship Show covers all levels of Apprenticeships, from entry level to higher and degree. This FREE event offers visitors a chance to engage, face-to-face, with some of the regions top Apprenticeship employes and providers.

If you would like to check out the application page for the Apprenticeship Programme 2024, please click [here](#).

### BAE Systems Apprenticeship

An apprenticeship at BAE Systems means you can further your curiosity in a field that excites you and earn qualifications ranging up to a degree, while receiving a competitive salary. You'll real-world experience learning from the brightest minds in the business, working on meaningful projects that span the depths of the ocean, to the edges of space. Whether you want to become technical experts in **welding, painting or scaffolding**, or kickstart your career whilst earning a **degree in finance, engineering or business**— *there's something for everyone at BAE Systems*. ### THE YOUNG ENTREPRENEURS CHALLENGE

**The Young Entrepreneurs Challenge**—brought to you by Verizon and Unloc—is an annual event centred around finding the best young talent across Europe. If you're 16–25 and have a fresh and innovative tech-led idea, The Young Entrepreneurs Challenge could help you get your business off the ground—or if you've already launched, boost it to the next level. [The Young Entrepreneurs Challenge](#) Flyer attached.

### Investin Life-changing, immersive career programmes.

Choose your career, maximise your potential.
