

PROGRESSION GUIDANCE BULLETIN – CHRISTMAS 2023

Our careers bulletin is a resource to help you explore next steps after college.

Careers Appointments

The Progression Guidance and Careers department has three qualified careers advisors (Alex, Cat and Sally) who are available to help you make informed and realistic decisions about your future by providing the right advice, information and guidance about university, apprenticeships, employment, and work experience. We are in **R105** located on the first-floor - opening times **9am-4pm (term time)**. If you would like an individual careers advice discussion, please email careerappointments@esher.ac.uk

Support With Applying To University

Our internal deadline for UCAS applications has now passed however if you still wish to apply for University for 2024 then UCAS continue to accept late application until June and many universities make offers to students who apply after their deadline.

UNIVERSITY OF DERBY – Build your Career.

Do you want to be a broadcaster, set up your own business, or don't know what career might suit you in the future? If so, University of Derby Build you Career days are a great opportunity to help explore your options.

On each day you will have all the opportunities you need to make you job ready or help them find their future pathway. Across both days you will be able to take part in;

- A range of masterclasses and workshops delivered by experts.
- A variety of Careers in ... subject talks, highlighting the pathways which can be taken from studying.
- The employer showcase, with leading employers on hand to talk through opportunities for work experience and internships available to you.

For more information and to book your place please visit

UNIVERSITY OF SHEFFIELD - Insights into Linguistics for STEM students

On Monday 22 January 2024 at 5.30 - 6.40pm, University of Sheffield are running an online session introducing Linguistics: the study of human language as a biological, computational, cultural and artistic phenomenon. The session will focus on the scientific and mathematical side of Linguistics. This session will be a perfect introduction and particularly useful if you are either considering a career in Linguistics. For informal enquiries, email r.orfitelli@sheffield.ac.uk.
