

PROGRESSION GUIDANCE BULLETIN – JANUARY 2024

Our careers bulletin is a resource to help you explore next steps after college.

Careers Appointments

The Progression Guidance and Careers department has three qualified careers advisors (Alex, Cat and Sally) who are available to help you make informed and realistic decisions about your future by providing the right advice, information and guidance about university, apprenticeships, employment, and work experience. We are in **R105** located on the first-floor - opening times **9am-4pm (term time)**. If you would like an individual careers advice discussion, please email progression@esher.ac.uk

National Apprenticeship Show 27 & 28 Feb 2024

The National Apprenticeship Show covers all levels of Apprenticeships, from entry level to higher and degree. This FREE event offers visitors a chance to engage, face-to-face, with some of the regions top Apprenticeship employes and providers.

London & SE - The National Apprenticeship Show

Exhibitors - The National Apprenticeship Show

Virtual Career Sessions

Join sessions with professionals from top organisations! Dive into various sectors, explore jobs and pathways, see options below.

Bank of America

Inspiring the Future in Technology. Wednesday 31st January, 9.30am – 10.30am

Technology lies at the heart of investment banking, enabling mobile and online banking, payments processing, and electronic trading to name a few. This creates a world of exciting technology career opportunities from roles in cyber security to stop hackers and keep data safe, to using robotics and artificial intelligence to help innovate banking processes. In this session you will get an overview on the range of tech roles on offer, learn about entry routes from internships to apprenticeships, and hear from tech professionals at the bank.

Meeting Registration - Zoom

Amazon

Inside the World of Technology Apprenticeships, Tuesday 6th February 2024, 11.00am – 12.00pm

As Engineering and Technology come together, a world of creative solutions emerges. In this session with global technology giant Amazon, students' interest in innovation will be ignited during National Apprenticeship Week as they explore exciting apprenticeship opportunities in engineering and technology, and discover the limitless possibilities in this dynamic field

Meeting Registration - Zoom

NHS Careers

Inspiring the Future of Healthcare Apprenticeships, Wednesday 7th February 2024, 9.30am – 10.30am

NHS apprenticeships are becoming a sought after entry route for young people aspiring to join the healthcare sector. From programmes at level 2 (GCSE equivalent) to level 6 and 7 where students can obtain full bachelor and master's degrees from university, NHS apprenticeships offer students the opportunity to gain practical skills, work alongside professionals, and contribute to patient care while advancing their career in the sector. In this session students will discover the range of programmes that exist, learn about the entry requirements and recruitment process, and hear from current apprentices.

Meeting Registration - Zoom

IBM & Kaplan

Digital Apprenticeships, Thursday 8 February 2024, 9.30am – 10.30am

Explore endless opportunities in digital careers with global technology powerhouse IBM, and leading education provider Kaplan. In this session, students will learn about a variety of digital apprenticeships that go beyond conventional screens, unlocking a world of creativity, functionality, and collaboration. Gain insight into how digital innovation is shaping future careers.

Meeting Registration - Zoom

TASTER DAYS

Taster Days are the best way for students to gain an in-depth understanding of studying a subject at University and the potential career outcomes. They are also prime opportunities to grab a taste of university life. They normally incorporate a campus tour and extended careers talk if requested.

The University of Brunel are offering the following Taster Days over the next few months.

Law	7 February 24
Nursing	6 March and 5 June
Engineering and Mathematics	20 March
Anthropology	17 April
English and Creative Writing	18 April
Criminology	24 April
Politics and History	2 May
Journalism	24 Jun

For more information please visit - [Taster days for schools and colleges | Brunel University London](#)
