

FURTHER INFORMATION
TRAINEE TEACHER OF GRAPHICS AND 3D DESIGN
(Full Time - Fixed Term 2-year contract)

The College

The College is situated just outside Esher, in attractive grounds in Thames Ditton, and is well served by public transport. Thames Ditton rail station is two minutes' walk away and Esher rail station about 12 minutes. Both provide a direct link to central London. The core business of the College is the full-time education of 16–18-year-old students, all of whom study level 3 courses. Within this context, the College has an inclusive, open access approach, recruiting students from over 115 different schools in North Surrey and the London boroughs, with a College roll of approximately 2050 students. The result is a rich and diverse student population. Applicants from the four most local postcodes, from schools without sixth forms in a defined geographical area and from siblings of current and former students all have guaranteed status. Incidentally, of all application categories, siblings consistently give us the highest conversion of applicant to enrolment. Those who know us best are most likely to come. All other applicants have open status and places are allocated by ballot.

The College has a strong reputation in the area and is highly over-subscribed, with applications closing nine months before enrolment begins. The College's popularity is principally based on academic achievement and successful progression, as well as a more mature learning environment which lays the foundations for future success. Despite relatively modest entry requirements, it has an established track record in delivering impressive examination results. As a result, the College was judged 'outstanding' by Ofsted for all areas when recently inspected in September 2022. It is most pleasing that the report reflects the College that we all know well and is a fair reward for all the hard work that our staff have invested into the College and its community over the many years.

The College Mission Statement and Values are:

Mission Statement

We are specialists in sixth form education who are committed to creating a culture of high expectations and outstanding achievement.

Values

- **Inclusivity:** We actively embrace diversity, ensuring every community member is valued, respected, and provided with equal opportunities for growth and participation.
- **Community:** We cultivate a vibrant community characterised by collaboration and mutual support where everyone contributes to our collective and individual successes, fostering a strong sense of belonging and shared purpose.
- **Empowerment:** We champion autonomy and aspiration, empowering every individual to actively shape their educational and professional paths to achieve their full potential.

The estate has benefited from significant investment over the last ten years or so and the result is a campus fit for the 21st century, with modern, specialist buildings and facilities. A new Study Centre and a Performing Arts block were opened for the start of the 2022/23 academic year and four temporary classrooms to help manage the College response to the increase in student contact time, with a new build replacing the temporary accommodation in September 2025.

The Post

Students:

3D Design and Graphic Communication are popular subjects with around 160 students currently taking A Level 3D Design or A Level Graphic Communication .

Staff:

There are 2 members of the teaching team (both full time), supported by 1 technician.

Courses & Exam Board:

The College offers A Level 3D Design and A Level Graphic Communication following the AQA Art and Design Specification

Department/Facilities:

There is a suite of rooms dedicated to Design teaching that includes well-equipped teaching classrooms, a workshop and a prep room. The department is resourced to a high standard, with modern apparatus and excellent support from technicians. Extensive teaching resources are available, and examination results are consistently excellent. Teaching and learning is also supported by regular trips and visits.

Additional information:

Many students taking A Level 3D Design or A Level Graphic Communication will go on to study a design related course at HE.

We would welcome applications from candidates looking for a full-time post or a minimum of 4 days a week. Please indicate in your application if you would like to be considered for the part time (4 days a week) role and this will be discussed at interview.

College Hours:

College teaching periods start at 8.55 am and end at 4.15 pm.

Salary:

NSP1 approximately £23,000 per annum, inclusive of fringe area allowance. However, the salary may vary depending on the proportion of time allocated to teaching. The salary will increase as your teaching hours will increase.

Closing Date:

8am Wednesday 23 April 2025

Interviews:

Thursday 1 May 2025
