Next, select your school 'Esher Sixth Form College' (which you have added already as a place of education)

Education

Add all your secondary education and qualifications in this section. This includes GCSEs, A Levels and BTECs for UK applicants, or their equivalents in other countries from high school or college onwards.

Please include where you are studying now, as well as qualifications you've completed and qualifications you're still studying for or re-sitting. Your referee will be asked to add predicted grades for any pending qualifications when adding your reference.

If you've attended university before, please add that here too.

You must declare all your qualifications. Failure to do so may affect decisions made by the universities and colleges you apply to.

Add qualification

Add place of education

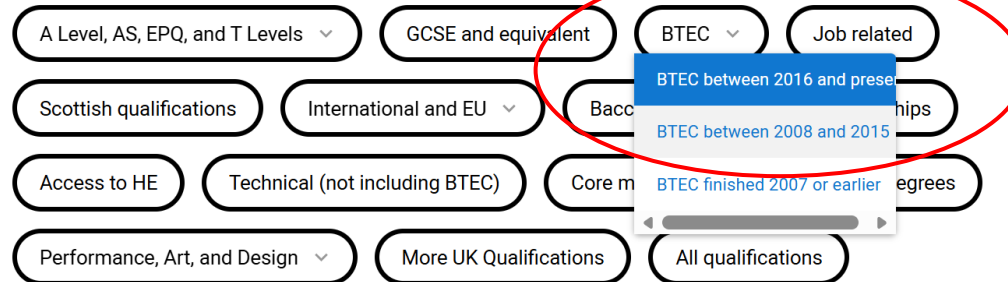

For all qualifications except Human Biology AND Information Technology AAQ, select BTEC between 2016 and present

Add qualification

If you received any qualifications at this school, college or centre, or you have any pending at this school, add them here. All qualifications must be entered, even if you received an unsuccessful grade, haven't taken the final exams or are waiting for the results. If you're resitting a qualification you need to enter it twice: once as a completed qualification with the grade achieved and once as a qualification with the result Pending.

Pick your qualification type

Choose the type of qualification you would like to add - you can search for specific qualifications and view those shortlisted by your adviser within each group.

The form displays a grid of buttons for selecting qualification types. A red circle highlights the 'BTEC' button, which has a dropdown menu open showing three options: 'BTEC between 2016 and present' (highlighted in blue), 'BTEC between 2008 and 2015', and 'BTEC finished 2007 or earlier'. The grid includes the following buttons:

- A Level, AS, EPQ, and T Levels
- GCSE and equivalent
- BTEC
- Job related
- Scottish qualifications
- International and EU
- Baccalaureate
- Ship
- Access to HE
- Technical (not including BTEC)
- Core modules
